NEW FEATURES

- **Hybrid Application – Not Cloud only, Not Offline only**
- **Offline Inventory Control System**
- **Create / Edit Menu online and Sync to Inventory or POS Application**

HYBRID APPLICATION

We wanted to bring best of both world to our clients. Flexibility of having a cloud system where you have access to reports and data from anywhere in the world with security and safety of knowing the data is available offline in your premises.

LICENSING MODEL

We understand that every customer has their own budget which they could spend on Restaurant Management System so we made the licensing model flexible. The below are the licensing models we can provide to our customers.

- A. Monthly Payment Plan
- B. Quarterly Payment Plan
- C. Half Yearly Payment Plan
- D. Yearly Payment Plan
- E. Life time License*

*Annual maintenance charges after the first year

THANK YOU!
